CONSTITUTION OF THE STATE OF ARIZONA

ARTICLE IV. LEGISLATIVE DEPARTMENT

PART 1. INITIATIVE AND REFERENDUM

§ 1. Legislative authority; initiative and referendum

Section 1. (1) [Senate; house of representatives; reservation of power to people] The legislative authority of the State shall be vested in a Legislature, consisting of a Senate and a House of Representatives, but the people reserve the power to propose laws and amendments to the Constitution and to enact or reject such laws and amendments at the polls, independently of the Legislature; and they also reserve, for use at their own option, the power to approve or reject at the polls any Act, or item, section, or part of any Act, of the Legislature.

(2) [Initiative power] The first of these reserved powers is the Initiative. Under this power ten per centum of the qualified electors shall have the right to propose any measure, and fifteen per centum shall have the right to propose any amendment to the Constitution.

(3) [Referendum power; emergency measures; effective date of acts] The second of these reserved powers is the Referendum. Under this power the Legislature, or five per centum of the qualified electors, may order the submission to the people at the polls of any measure, or item, section, or part of any measure, enacted by the Legislature, except laws immediately necessary for the preservation of the public peace, health, or safety, or for the support and maintenance of the departments of the State Government and State institutions; but to allow opportunity for Referendum Petitions, no Act passed by the Legislature shall be operative for ninety days after the close of the session of the Legislature enacting such measure, except such as require earlier operation to preserve the public peace, health, or safety, or to provide appropriations for the support and maintenance of the Departments of the State and of State institutions; Provided, that no such emergency measure shall be considered passed by the Legislature unless it shall state in a separate section why it is necessary that it shall become immediately operative, and shall be approved by the affirmative votes of two-thirds of the members elected to each House of the Legislature, taken by roll call of ayes and nays, and also approved by the Governor; and should such measure be vetoed by the Governor, it shall not become a law unless it shall be approved by the votes of three-fourths of the members elected to each House of the Legislature, taken by roll call of ayes and nays.

(4) [Initiative and referendum petitions; filing] All petitions submitted under the power of the Initiative shall be known as Initiative Petitions, and shall be filed with the Secretary of State not less than four months preceding the date of the election at which the measures so proposed are to be voted upon. All petitions submitted under the power of the Referendum shall be known as Referendum Petitions, and shall be filed with the Secretary of State not more than ninety days after the final adjournment of the session of the Legislature which shall have passed the measure to which the Referendum is applied. The filing of a Referendum Petition against any item, sec-

tion, or part of any measure shall not prevent the remainder of such measure from becoming operative.

(5) [Effective date of initiative and referendum measures] Any measure or amendment to the Constitution proposed under the Initiative, and any measure to which the Referendum is applied, shall be referred to a vote of the qualified electors, and shall become law when approved by a majority of the votes cast thereon and upon proclamation of the Governor, and not otherwise.

(6) (A) [Veto of initiative or referendum] The veto power of the governor shall not extend to an initiative measure approved by a majority of the votes cast thereon or to a referendum measure decided by a majority of the votes cast thereon.

(6) (B) [Legislature's power to repeal initiative or referendum] The legislature shall not have the power to repeal an initiative measure approved by a majority of the votes cast thereon or to repeal a referendum measure decided by a majority of the votes cast thereon.

(6) (C) [Legislature's power to amend initiative or referendum] The legislature shall not have the power to amend an initiative measure approved by a majority of the votes cast thereon, or to amend a referendum measure decided by a majority of the votes cast thereon, unless the amending legislation furthers the purposes of such measure and at least three-fourths of the members of each house of the legislature, by a roll call of ayes and nays, vote to amend such measure.

(6) (D) [Legislature's power to appropriate or divert funds created by initiative or referendum] The legislature shall not have the power to appropriate or divert funds created or allocated to a specific purpose by an initiative measure approved by a majority of the votes cast thereon, or by a referendum measure decided by a majority of the votes cast thereon, unless the appropriation or diversion of funds furthers the purposes of such measure and at least three-fourths of the members of each house of the legislature, by a roll call of ayes and nays, vote to appropriate or divert such funds.

(7) [Number of qualified electors] The whole number of votes cast for all candidates for Governor at the general election last preceding the filing of any Initiative or Referendum petition on a State or county measure shall be the basis on which the number of qualified electors required to sign such petition shall be computed.

(8) [Local, city, town or county matters] The powers of the Initiative and the Referendum are hereby further reserved to the qualified electors of every incorporated city, town, and county as to all local, city, town, or county matters on which such incorporated cities, towns, and counties are or shall be empowered by general laws to legislate. Such incorporated cities, towns, and counties may prescribe the manner of exercising said powers within the restrictions of general laws. Under the power of the Initiative fifteen per centum of the qualified electors may propose measures on

such local, city, town or county matters, and ten per centum of the electors may propose the Referendum on legislation enacted within and by such city, town, or county. Until provided by general law, said cities and towns may prescribe the basis on which said percentages shall be computed.

(9) [Form and contents of initiative and referendum petitions; verification] Every Initiative or Referendum petition shall be addressed to the Secretary of State in the case of petitions for or on State measures, and to the clerk of the Board of Supervisors, city clerk, or corresponding officer in the case of petitions for or on county, city, or town measures; and shall contain the declaration of each petitioner, for himself, that he is a qualified elector of the State (and in the case of petitions for or on city, town, or county measures, of the city, town, or county affected), his post office address, the street and number, if any, of his residence, and the date on which he signed such petition. Each sheet containing petitioners' signatures shall be attached to a full and correct copy of the title and text of the measure so proposed to be initiated or referred to the people, and every sheet of every such petition containing signatures shall be verified by the affidavit of the person who circulated said sheet or petition, setting forth that each of the names on said sheet was signed in the presence of the affiant and that in the belief of the affiant each signer was a qualified elector of the State, or in the case of a city, town, or county measure, of the city, town, or county affected by the measure so proposed to be initiated or referred to the people.

(10) [Official ballot] When any Initiative or Referendum petition or any measure referred to the people by the Legislature shall be filed, in accordance with this section, with the Secretary of State, he shall cause to be printed on the official ballot at the next regular general election the title and number of said measure, together with the words "Yes" and "No" in such manner that the electors may express at the polls their approval or disapproval of the measure.

(11) [Publication of measures] The text of all measures to be submitted shall be published as proposed amendments to the Constitution are published, and in submitting such measures and proposed amendments the Secretary of State and all other officers shall be guided by the general law until legislation shall be especially provided therefor.

(12) [Conflicting measures or constitutional amendments] If two or more conflicting measures or amendments to the Constitution shall be approved by the people at the same election, the measure or amendment receiving the greatest number of affirmative votes shall prevail in all particulars as to which there is conflict.

(13) [Canvass of votes; proclamation] It shall be the duty of the Secretary of State, in the presence of the Governor and the Chief Justice of the Supreme Court, to canvass the votes for and against each such measure or proposed amendment to the Constitution within thirty days after the election, and upon the completion of the canvass the Governor shall forthwith issue a proclamation, giving the whole number of votes cast for and against each measure or proposed amendment, and declaring such measures or

amendments as are approved by a majority of those voting thereon to be law.

(14) [Reservation of legislative power] This section shall not be construed to deprive the legislature of the right to enact any measure except that the legislature shall not have the power to adopt any measure that supersedes, in whole or in part, any initiative measure approved by a majority of the votes cast thereon or any referendum measure decided by a majority of the votes cast thereon unless the superseding measure furthers the purposes of the initiative or referendum measure and at least three-fourths of the members of each house of the legislature, by a roll call of ayes and nays, vote to supersede such initiative or referendum measure.

(15) Legislature's right to refer measure to the people. Nothing in this section shall be construed to deprive or limit the legislature of the right to order the submission to the people at the polls of any measure, item, section, or part of any measure.

(16) [Self-executing] This section of the constitution shall be, in all respects, self-executing.

Section 2. Section 1 hereof shall apply retroactively to all initiative and referendum measures decided by the voters at and after the November 1998 general election.

The text of Arizona Constitution article 4, part 1, § 1, (section 2) is numbered exactly as Proposition 105 was submitted to the voters.

§ 2. Penalty for violation of initiative and referendum provisions

Section 2. The legislature shall provide a penalty for any wilful violation of any of the provisions of the preceding section.

ARTICLE VIII. REMOVAL FROM OFFICE

PART 1. RECALL OF PUBLIC OFFICERS

§ 1. Officers subject to recall; petitioners

Section 1. Every public officer in the state of Arizona, holding an elective office, either by election or appointment, is subject to recall from such office by the qualified electors of the electoral district from which candidates are elected to such office. Such electoral district may include the whole state. Such number of said electors as shall equal twenty-five per centum of the number of votes cast at the last preceding general election for all of the candidates for the office held by such officer, may by petition, which shall be known as a recall petition, demand his recall.

§ 2. Recall petitions; contents; filing; signatures; oath

Section 2. Every recall petition must contain a general statement, in not more than two hundred words, of the grounds of such demand, and must be filed in the office in which petitions for nominations to the office held by the incumbent are required to be filed. The signatures to such recall petition need not all be on the one sheet of

paper, but each signer must add to his signature the date of his signing said petition, and his place of residence, giving his street and number, if any, should he reside in a town or city. One of the signers of each sheet of such petition, or the person circulating such sheet, must make and subscribe an oath on said sheet, that the signatures thereon are genuine.

§ 3. Resignation of officer; special election

Section 3. If such officer shall offer his resignation it shall be accepted, and the vacancy shall be filled as may be provided by law. If he shall not resign within five days after a recall petition is filed as provided by law, a special election shall be ordered to be held as provided by law, to determine whether such officer shall be recalled. On the ballots at such election shall be printed the reasons as set forth in the petition for demanding his recall, and, in not more than two hundred words, the officer's justification of his course in office. He shall continue to perform the duties of his office until the result of such election shall have been officially declared.

§ 4. Special election; candidates; results; qualification of successor

Section 4. Unless the incumbent otherwise requests, in writing, the incumbent's name shall be placed as a candidate on the official ballot without nomination. Other candidates for the office may be nominated to be voted for at said election. The candidate who receives the highest number of votes shall be declared elected for the remainder of the term. Unless the incumbent receives the highest number of votes, the incumbent shall be deemed to be removed from office, upon qualification of the successor. In the event that the successor shall not qualify within five days after the result of said election shall have been declared, the said office shall be vacant, and may be filled as provided by law.

§ 5. Recall petitions; restrictions and conditions

Section 5. No recall petition shall be circulated against any officer until he shall have held his office for a period of six months, except that it may be filed against a member of the legislature at any time after five days from the beginning of the first session after his election. After one recall petition and election, no further recall petition shall be filed against the same officer during the term for which he was elected, unless petitioners signing such petition shall first pay into the public treasury which has paid such election expenses, all expenses of the preceding election.

§ 6. Application of general election laws; implementary legislation

Section 6. The general election laws shall apply to recall elections in so far as applicable. Laws necessary to facilitate the operation of the provisions of this article shall be enacted, including provision for payment by the public treasury of the reasonable special election campaign expenses of such officer.

ARTICLE IX.

PUBLIC DEBT, REVENUE, AND TAXATION

§ 23. Expenditures required by initiative or referendum: funding source

Section 23. A. An initiative or referendum measure that proposes a mandatory expenditure of state revenues for any purpose, establishes a fund for any specific purpose or allocates funding for any specific purpose must also provide for an increased source of revenues sufficient to cover the entire immediate and future costs of the proposal. The increased revenues may not be derived from the state general fund or reduce or cause a reduction in general fund revenues.

B. If the identified revenue source provided pursuant to subsection A in any fiscal year fails to fund the entire mandated expenditure for that fiscal year, the legislature may reduce the expenditure of state revenues for that purpose in that fiscal year to the amount of funding supplied by the identified revenue source.

ARTICLE XXI. MODE OF AMENDING

§ 1. Introduction in legislature; initiative petition; election

Section 1. Any amendment or amendments to this constitution may be proposed in either house of the legislature, or by initiative petition signed by a number of qualified electors equal to fifteen per centum of the total number of votes for all candidates for governor at the last preceding general election.

Any proposed amendment or amendments which shall be introduced in either house of the legislature, and which shall be approved by a majority of the members elected to each of the two houses, shall be entered on the journal of each house, together with the ayes and nays thereon. When any proposed amendment or amendments shall be thus passed by a majority of each house of the legislature and entered on the respective journals thereof, or when any elector or electors shall file with the secretary of state any proposed amendment or amendments together with a petition therefor signed by a number of electors equal to fifteen per centum of the total number of votes for all candidates for governor in the last preceding general election, the secretary of state shall submit such proposed amendment or amendments to the vote of the people at the next general election (except when the legislature shall call a special election for the purpose of having said proposed amendment or amendments voted upon, in which case the secretary of state shall submit such proposed amendment or amendments to the qualified electors at said special election,) and if a majority of the qualified electors voting thereon shall approve and ratify such proposed amendment or amendments in said regular or special election, such amendment or amendments shall become a part of this constitution. Until a method of publicity is otherwise provided by law, the secretary of state shall have such proposed amendment or amendments published for a period of at least ninety days previous to the date of said election in at least one newspaper in every county of the state in which a newspaper shall be published, in such manner as may be prescribed by law. If more than one proposed amendment shall be submitted at any election, such proposed amendments shall be submitted in such manner that the electors may vote for or against such proposed amendments separately.

ARTICLE XXII. SCHEDULE AND MISCELLANEOUS

§ 14. Initiative

Section 14. Any law which may be enacted by the Legislature under this Constitution may be enacted by the people under the Initiative. Any law which may not be

1. Remove the following:
 - (a) Those sheets not attached to a copy of the title and text of the measure.
 - (b) The copy of the title and text from the remaining petition sheets.
 - (c) Those sheets not bearing the petition serial number in the lower right-hand corner of each side.
 - (d) Those sheets containing a circulator's affidavit that is not completed or signed.
 - (e) Those sheets on which the affidavit of the circulator is not notarized, the notary's signature is missing, the notary's commission has expired or the notary's seal is not affixed.
 - (f) Those sheets on which the signatures of the circulator or the notary are dated earlier than the dates on which the electors signed the face of the petition sheet.
2. After completing the steps in paragraph 1 of this subsection, review each sheet to determine the county of the majority of the signers and shall:
 - (a) Place a three or four letter abbreviation designating that county in the upper right-hand corner of the face of the petition.
 - (b) Remove all signatures of those not in the county of the majority on each sheet by marking an "SS" in red ink in the margin to the right of the signature line.
 - (c) Cause all signature sheets to be grouped together by county of registration of the majority of those signing and attach them to one or more copies of the title and text of the measure. If the sheets are too bulky for convenient grouping by the secretary of state in one volume by county, they may be bound in two or more volumes with those in each volume attached to a single printed copy of the measure. The remaining detached copies of the title and text of the measure shall be delivered to the applicant.
3. After completing the steps in paragraph 2 of this subsection, remove the following signatures that are not eligible for verification by marking an "SS" in red ink in the margin to the right of the signature line:
 - (a) If the signature of the qualified elector is missing.
 - (b) If the residence address or the description of residence location is missing.
 - (c) If the date on which the petitioner signed is missing.
 - (d) Signatures in excess of the fifteen signatures permitted per petition.
 - (e) Signatures withdrawn pursuant to section 1-261.
4. After the removal of petition sheets and signatures, count the number of signatures for verification on the remaining petition sheets and note that number in the upper right-hand corner of the face of each petition sheet immediately above the county designation.
5. Number the remaining petition sheets that were not previously removed and that contain signatures eligible for verification in consecutive order

on the front side of each petition sheet in the upper left-hand corner.

6. Count all remaining petition sheets and signatures not previously removed and issue a receipt to the applicant of this total number eligible for verification.
- B. If the total number of signatures for verification as determined pursuant to subsection A, paragraph 6 of this section equals or exceeds the constitutional minimum, the secretary of state, during the same fifteen day period provided in subsection A of this section, shall select, at random, five per cent of the total signatures eligible for verification by the county recorders of the counties in which the persons signing the petition claim to be qualified electors. The random sample of signatures to be verified shall be drawn in such a manner that every signature eligible for verification has an equal chance of being included in the sample. The random sample produced shall identify each signature selected by petition page and line number. The signatures selected shall be marked according to the following procedure:
 1. Using red ink, mark the selected signature by circling the line number and drawing a line from the base of the circle extending into the left margin.
 2. If a signature line selected for the random sample is found to be blank or was removed from the verification process pursuant to subsection A of this section and is marked with an "SS", then the next line down, even if that requires going to the next petition sheet in sequence, on which an eligible signature appears shall be selected as a substitute if that line has not already been selected for the random sample. If the next eligible line is already being used in the random sample, the secretary of state shall proceed back up the page from the signature line originally selected for the random sample to the next previous signature line eligible for verification. If that line is already being used in the random sample, the secretary of state shall continue moving down the page or to the next page from the line originally selected for the random sample and shall select the next eligible signature as its substitute for the random sample. The secretary of state shall use this process of alternately moving forward and backward until a signature eligible for verification and not already included in the random sample can be selected and substituted.
- C. After the selection of the random sample and the marking of the signatures selected on the original petition sheets pursuant to subsection B of this section, the secretary of state shall reproduce a facsimile of the front of each signature sheet on which a signature included in the random sample appears. The secretary of state shall clearly identify those signatures marked for verification by color highlighting or other similar method and shall transmit by personal delivery or certified mail to each county recorder a facsimile sheet of each signature sheet on which a signature appears of any individual claiming to be a qualified elector of that county whose signature was selected for verification as part of the random sample.

- D. The secretary of state shall retain in custody all signature sheets removed pursuant to this section except as otherwise prescribed in this title.

§ 19-121.02. Certification by county recorder

- A. Within ten days, excluding Saturdays, Sundays and other legal holidays, after receiving the facsimile signature sheets from the secretary of state pursuant to section 19-121.01, the county recorder shall determine which signatures of individuals whose names were transmitted shall be disqualified for any of the following reasons:
 1. No residence address or description of residence location is provided.
 2. No date of signing is provided.
 3. The signature is illegible and the signer is otherwise unidentifiable.
 4. The address provided is illegible or nonexistent.
 5. The individual was not a qualified elector on the date of signing the petition.
 6. The individual was a registered voter but was not at least eighteen years of age on the date of signing the petition or affidavit.
 7. The signature was disqualified after comparison with the signature on the affidavit of registration.
 8. If a petitioner signed more than once, all but one otherwise valid signature shall be disqualified.
 9. For the same reasons any signatures or entire petition sheets could have been removed by the secretary of state pursuant to section 19-121.01, subsection A.
- B. Within the same time period provided in subsection A of this section, the county recorder shall certify to the secretary of state the following:
 1. The name of any individual whose signature was included in the random sample and disqualified by the county recorder together with the petition page and line number of the disqualified signature.
 2. The total number of signatures selected for the random sample and transmitted to the county recorder for verification and the total number of random sample signatures disqualified.
- C. The secretary of state shall prescribe the form of the county recorder's certification.
- D. At the time of the certification, the county recorder shall:
 1. Return the facsimile signature sheets to the secretary of state.
 2. Send notice of the results of the certification by mail to the person or organization that submitted the initiative or referendum petitions and to the secretary of state.

§ 19-121.03. Judicial review of actions by county recorder; venue

- A. If the county recorder fails or refuses to comply with the provisions of section 19-121.02, any citizen may apply, within ten calendar days after such failure or refusal, to the superior court for a writ of mandamus. If the court finds that the county recorder has not complied with the provisions of section 19-121.02, the court shall issue an order for the county recorder to comply.
- B. Any citizen may challenge in the superior court the certification made by a county recorder pursuant to

section 19-121.02 within ten calendar days of the receipt thereof by the secretary of state. The action shall be advanced on the calendar and heard as a trial de novo and decided by the court as soon as possible. Either party may appeal to the supreme court within ten calendar days after judgment.

- C. An action commenced under this section shall be brought in the county of such recorder, except that any such action involving more than one recorder shall be brought in Maricopa county.

§ 19-121.04. Disposition of petitions by secretary of state

- A. Within forty-eight hours, excluding Saturdays, Sundays and other legal holidays, after receipt of the facsimile signature sheets and the certification of each county recorder, the secretary of state shall determine the total number of valid signatures by subtracting from the total number of eligible signatures determined pursuant to section 19-121.01, subsection A, paragraph 6 in the following order:
1. All signatures on petitions containing a defective circulator's affidavit.
 2. All signatures that were found ineligible by the county recorders and that were not subtracted pursuant to paragraph 1 of this subsection.
 3. After determining the percentage of all signatures found to be invalid in the random sample, a like percentage from those signatures remaining after the subtractions performed pursuant to paragraphs 1 and 2 of this subsection.
- B. If the actual number of signatures after certification pursuant to subsection C of this section on the remaining sheets after any such subtraction equals or exceeds the minimum number required by the constitution or if the number of valid signatures as projected from the random sample pursuant to subsection A of this section is at least one hundred five per cent of the minimum number required by the constitution, the secretary of state shall issue the following receipt to the person or organization that submitted them:

_____ signature pages bearing _____ signatures for initiative (referendum) petition serial number _____ have been refused for filing in this office because the person circulating them was a county recorder or justice of the peace at the time of circulating the petition or due to defects in the circulator's affidavit. A total of _____ signatures included on the remaining petition sheets were found to be ineligible. Of the total random sample of _____ signatures, a total of _____ signatures were invalidated by the county recorders resulting in a failure rate of _____ per cent. The actual number of remaining signatures for such initiative (referendum) petition number _____ are equal to or in excess of the minimum required by the constitution to place a measure on the general election ballot. The number of valid signatures filed with this petition, based on the random sample, appears to be at least one hundred five per cent of the minimum required or through examination of each signature has been certified to be greater than the minimum required by the constitution.

Date: _____

Secretary of State
(Seal)

The secretary of state shall then forthwith notify the governor that a sufficient number of signatures has been filed and that the initiative or referendum shall be placed on the ballot in the manner provided by law.

- C. If the number of valid signatures as projected from the random sample is less than one hundred five but greater than ninety-five per cent of the minimum number required by the constitution, then the secretary of state shall order the examination and verification of each signature filed and shall so notify the county recorders. The county recorder's certification shall be in the form prescribed by the secretary of state.
- D. If the number of valid signatures as projected from the random sample is less than ninety-five per cent of the minimum number required by the constitution or if the actual number of signatures on the remaining sheets after any such subtraction from the random sample or after certification fails to equal or exceed the minimum required by the constitution, the secretary of state shall immediately return the original signature sheets, in the form filed by him under section 19-121, to the person or organization that submitted them, together with a certified statement that, for the following reasons, the petition lacks the minimum number of signatures to place it on the general election ballot:
1. Signature sheets bearing secretary of state page numbers _____ and bearing signatures of _____ persons appeared on petitions containing a defective circulator's affidavit.
 2. A total of _____ signatures on the remaining petition sheets were found to be ineligible.
 3. A total of _____ signatures included in the random sample have been certified by the county recorders as ineligible at the time such petition was signed and a projection from such random sample has indicated that _____ more signatures are ineligible to appear on the petition. A facsimile of the certifications of the county recorders under section 19-121.02 shall accompany the signature sheets returned to the person or organization that submitted them.

§ 19-121.05. Special fund for reimbursement of county recorders

- A. The secretary of state shall establish a separate fund from which he shall reimburse a county recorder for actual expenses incurred by the county recorder for performance of his duties under the provisions of section 19-121.02, but not to exceed the rate of fifty cents per signature.
- B. A county recorder who claims to be entitled to reimbursement under the provisions of this section shall submit a claim therefor to the secretary of state.
- C. The special fund established under the provisions of this section shall be exempt from the provisions of section 35-190 relating to lapsing of appropriations.

transmit the facsimiles of a signature sheet or sheets or affidavits of circulators to the county recorders for certification under section 19-121.01, he shall provide the person who submitted the petition, proposal, signature sheet or affidavit with a written statement of the reason for the refusal. Within ten calendar days after the refusal any citizen may apply to the superior court for a writ of mandamus to compel the secretary of state to file the petition or proposal or transmit the facsimiles, or the citizen may file a complaint with the county attorney or attorney general. The county attorney or attorney general may apply, within ten calendar days after the complaint is made, to the superior court for a writ of mandamus to compel the secretary of state to file the petition or proposal or transmit the facsimiles. The action shall be advanced on the calendar and heard and decided by the court as soon as possible. Either party may appeal to the supreme court within ten calendar days after judgment. If the court finds that the petition is legally sufficient, the secretary of state shall then file it, with a certified copy of the judgment attached as of the date on which it was originally offered for filing in his office.

- B. The most current version of the general county register at the time of filing a court action challenging an initiative or referendum petition shall constitute the official record to be used to determine on a prima facie basis by the challenger that the signer of a petition was not registered to vote at the address given on the date of signing the petition. If the address of the signer given on the date of signing the petition is different from that on the most current version of the general county register, the county recorder shall examine the version of the general county register which was current on the date the signer signed the petition to determine the validity of the signature. This subsection does not preclude introducing into evidence a certified copy of the affidavit or registration of any signer dated prior to the signing of the petition if the affidavit is in the possession of the county recorder but has not yet been filed in the general county register.
- C. Notwithstanding section 19-121.04, if any petition filed is not legally sufficient, the court may, in an action brought by any citizen, enjoin the secretary or other officers from certifying or printing on the official ballot for the ensuing election the amendment or measure proposed or referred. The action shall be advanced on the calendar and heard and decided by the court as soon as possible. Either party may appeal to the supreme court within ten days after judgment.
- D. The superior court in Maricopa county shall have jurisdiction of actions relating to measures and amendments to be submitted to the electors of the state at large. With respect to actions relating to local and special measures, the superior court in the county, or in one of the counties, in which the measures are to be voted upon shall have jurisdiction.

 - 1. A true copy of the title and text of the measure or proposed amendment. Such text shall indicate material deleted, if any, by printing such material with a line drawn through the center of the letters of such material and shall indicate material added or new material by printing the letters of such material in capital letters.

The hearings shall provide an opportunity for proponents, opponents and the general public to provide testimony and request information. Hearings may be scheduled to include more than one qualified ballot measure and shall include a fiscal impact presentation on the measure by the joint legislative budget committee staff. The joint legislative budget committee staff shall prepare a summary of the fiscal impact for each ballot measure, not to exceed three hundred words, for publication in the publicity pamphlet.

Each argument filed pursuant to this subsection shall not exceed three hundred words in length.
- B. Not later than sixty days preceding the regular primary election the legislative council, after providing reasonable opportunity for comments by all legislators, shall prepare and file with the secretary of state an impartial analysis of the provisions of each ballot proposal of a measure or proposed amendment. The analysis shall include a description of the measure and shall be written in clear and concise terms avoiding technical terms wherever possible. The analysis may contain background information, including the effect of the measure on existing law, or any legislative enactment suspended by referendum, if the measure or referendum is approved or rejected.
- C. The analyses and arguments shall be included in the publicity pamphlet immediately following the measure or amendment to which they refer. Arguments in the affirmative shall be placed first in order, and first among the affirmative or negative arguments shall be placed the arguments filed by the person filing the initiative petition or the person who introduced the measure or constitutional amendment referred. The remaining affirmative and negative arguments shall be placed in the order in which they were filed with the secretary of state.
- D. The person filing an argument shall deposit with the secretary of state, at the time of filing, an amount of money as prescribed by the secretary of state for the purpose of offsetting a portion of the proportionate cost of the paper and printing of the argument. If the person filing an argument requests that the argument appear in connection with more than one proposition, a deposit shall be made for each placement requested. No such deposit or payment shall be required for the analyses prepared and filed by the legislative council. Any proportional balance remain-

ing of the deposit, after paying the cost, shall be returned to the depositor.

- F. In the case of referendum petitions that are not required to be filed until after the primary election or at a time so close to the primary election that a referendum cannot be certified for the ballot before the deadline for filing ballot arguments pursuant to subsection A, the secretary of state may establish a separate deadline for filing the referendum ballot arguments pursuant to rules adopted by the secretary of state.

§ 19-125. Form of ballot

- B. After one recall petition and election, no further recall petition shall be filed against the same officer during the term for which he was elected unless the petitioners signing the petition first, at the time of application for the subsequent recall petition, pay into the public treasury from which such election expenses were paid all expenses of the preceding election.
